(a3) whether having regard to all circumstances it
is desirable to grant travelling allowance in this
case.

On the first point, ^{2/1901}precedent appears to be in
favor of the Chief Engineer's application..

On the second point the Deputy Commissioners'
Reports on Census Administration received in this
Office (excepting Hassan, from whom the report has
not yet been received) show that no expenditure on
account of travelling allowance for non-officials
has been incurred in any District during this Census.
The question need not arise if non-officials had
been appointed Census Officers near their own vil-
lages and were therefore not required to travel
more than 5 miles from their villages (vide the
remarks on this point in para 9 of the Census Su-
perintendent's Official Memorandum dated 24th Sep-
tember 1900 page ... of the Administrative Volume
for 1901)..

On the third point, I think it would be desir-
able to grant travelling allowance in this case as
the charge will be debited to the P.W.D. budget.

the Censorship is in favor of T.A. being
passed on the ground that there is a
precedent and the charge is met by the P.N.D.
If the T.A. be passed by P.N.D. other offls in the
Rev. Est. & Acc. Dept. who have had more than
a 5 mile hump (and there are none few in the Malwa
especially) would have equal claims for the
T.A. The Censorship is an obligatory one in
as much as non-offls are compelled and
impressed into the service without any payment
when such men have to do without any part
it is not clear why the P.N. officials should
get T.A. It is better to treat the Censorship as
obligatory and at the same time pay honorarium.
The P.N.D. subordinate did not have a P.N.D.
subordinate but as a Censorship and as a
Censorship offl. gets an allowance it is also clear that
this set came or also got anything

A The usual travelling allowances were passed to certain officials of the Education, Rev: and other departments on their transfer to the Census Super's Office, and also to forgotten and non-forgotten officials who were deputed for ~~reporting~~ Census work in the Taluks. The duty was regarded as forest-duty, and the ordinary travelling allowance rule applied, and the charge debited to the same line as their pay. No separate orders of forest were considered necessary, as the duty was held as being in the interests of public service.

[A is all right.

As regards B, all t.a. claimed ~~passed~~ for work for which non-officials might have been employed & for which non-officials would not have drawn t.a. should have been objected to for want of explicit forest sanction. He will please do so at once.

I think the proposal of the Chief Engineer which is in accordance with the precedent of 1901 may be sanctioned & a general order applicable to all departments issued. It is very likely that forest officials were put given census duty at places distant from

their place of residence while in the case
of private villagers they were given work
near their home.

Chief Engineer of Mysore,
Bangalore.

To

C.S. Balasundaram Iyer, Esq., B.A.,
Offg: Secretary to the Government
of His Highness the Maharaja of Mysore,
General and Revenue Departments.

Sir,

I have the honour to inform you that a number of subordinates and officials of this Department, who were deputed for census work in the Districts in connection with the last census and had consequently to travel beyond their circle of duty, have claimed the usual travelling allowances under the rules for such journeys, but the Comptroller, P.W. Branch, is precluded from passing the same in the absence of special orders of Government.

2. In proceedings No. 5695-6/P. & A 400 dated the 2nd October 1901 Government were pleased to sanction the grant of travelling allowances to the officials deputed for census work in 1901. I request that Government may be moved to grant the same concession to those detailed for the census work of 1911. The travelling allowances claimed may be admitted when the bills of the officials concerned are countersigned by the Deputy Commissioners or other Revenue Officers authorised in that behalf.

I have the honour to be,
Sir,
Your most obedient servant,
